Preamble

The Shire of Nungarin is located approximately 300km east of the state capital of Perth in the Wheatbelt Region and is one of the smallest in the nation with a population of 246. The Shire covers an area of 1,164 square kilometres.

The Shires Community Strategic Plan established the Shire's Vision and Values for ten years to 2023. The plan not only establishes a vision for the Shire's future, but drives the development of other plans in the integrated Planning Framework.

Our Vision: A great place to live with a well-connected, strong, healthy and friendly community.

Our Values: We will conduct our business with:

Respect

- Value people and places and the contribution they make to the Shire.
- Develop an environment of respect for different cultures.
- Be appreciative of the aspirations of the community and what it does for itself.

Inclusiveness

- Be receptive, proactive and responsive as an organisation.
- Exist to help a community that has the capacity for self- help.
- Demonstrate leadership by promoting Council and community teamwork.

Fairness and equity

- Maintain a 'whole of Shire' outlook, but recognise each community is unique and likely to have variations on their needs.
- Provide services for a variety of ages and needs.
- Respond to the community in a fair and equal way depending on need.

Communication

- Create opportunities for consultation with the broad community.
- Demonstrate leadership by promoting Council and community teamwork.

Shire President's Message

It is that time of year and once again it gives me great pleasure to present the Shire of Nungarin's 2020/21 annual report.

As was the case in 2019/20 we were again faced with monumental challenges and once again our community have responded to the COVID-19 pandemic and showed great strength and support for each other.

Regardless of the added complexities to hosting events due to COVID-19 restrictions, the annual Mangowine Concert arranged by the Friends of Mangowine and the Nungarin Vintage Rally arranged by the Nungarin Heritage and Army Museum were a huge success, attracting hundreds of tourists to Nungarin.

Although the COVID-19 pandemic created unprecedented challenges it also brought with it some positive aspects for our town in the form of grants available to local governments. With grant funds received through the Department of Infrastructure, Transport, Regional Development and Communications, the Shire was able to undertake a number of projects such as the upgrade of the town oval reticulation system, to a more cost effective and efficient system. In addition, the Shire commenced upgrades to the Nungarin Caravan Base by installing five powered and three unpowered landscaped caravan bays, with further upgrades planned.

Through the National Australia Day Council's Australia Day 2021 Community Events grants program, the Council was able to host a fun filled Australia Day Community Event at the Nungarin Swimming Pool. The event had a record community turnout and enjoyed by all. I would like to thank the Shire staff for the hard work in putting this event together.

I would like to thank all our volunteers and community groups who serve our community selflessly, they are the lifeblood of the town and have helped keep the

Shire's community spirit alive. Also, our residents your valued input and enthusiasm makes Nungarin a wonderful place to live. It is easy to see why our town is known as "A small town with a big heart".

Our new Chief Executive Officer Leonard Long commenced in November 2020, with his appointment came a new energy and vigour with more community engagement and consultation and strong focus on economic development in the area of tourism. I look forward to continue working with the CEO and community on some very exciting projects planned for next year.

Finally, congratulations to my fellow Councillors and staff for the hard work done over 2020/21 and a special thanks to the community for your support and help in working towards achieving our vision of being "a great place to live with a well-connected, strong, healthy and friendly community."

Cr Pippa de Lacy
Shire President

Chief Executive Officer's Message

This year has proven to be a very interesting year with numerous challenges brought upon by the continuing COVID – 19 pandemic. I am proud to say the Shire staff and community has worked together and overcome these challenges.

With the COVID – 19 pandemic came a number of State and Federal funding opportunities which has allowed the Shire to undertake projects that would normally be out of its financial reach. Project like the complete overhaul of the reticulation system at the town oval was completed this year and will ensure the oval can be reticulated in the most cost effect manner possible.

Economic Development has been a large focus for the Shire this year, and resulted in the, although minor upgrade of the Nungarin Caravan Park which has been renamed to the Nungarin Caravan Base to reflect the towns rich military history. More upgrades are planned for the coming years.

Having such a small rate base a huge emphasis has been placed on applying for grants through various avenues. The Shire was inter alia successful in obtaining an Australia Day grant which provided the ability to host a fun filled day for the community, it was great to see such a large turnout on the day. An application for a refurbishment grant was also successful and allowed the shire to do some much-needed renovations in one of the aged accommodation units in the Grangarin Complex.

A considerable amount of time and money has been put towards the repair and maintenance of Council owned buildings which will continue in the coming years. A large project which the Depot took on was to resolve the ongoing effluent disposal problem that had been plaguing the Grangarin residents for years. Through

great team work the problem was rectified resulting in a huge financial saving for Council.

As the incoming CEO it was an honour and very exciting to work with the community in the development of the Strategic Community Plan which will guide the development of the Shire in years to come. The amount of community members that participated and provided input into the strategy shows how proud the community is to call Nungarin home.

The coming financial year will be an exciting one with a number of large projects in the pipeline which will see the aesthetics of the shire improve tremendously.

On a personal note I would like to thank all the staff for working with me in creating a dynamic team which working with the community will see Nungarin grow into the special Shire it is.

To the Councillors I would like to express gratitude for the confidence placed in me, and a special thanks to my Shire President and Deputy President who have supported me over the past twelve months. I look forward to continue working with Council, staff and the community.

Leonard Long
Chief Executive Officer

Elected Member's

The Council of the Shire of Nungarin is made up of seven community elected representatives, elected for a four-year term. The Shire President and Deputy Shire president is elected by the Council following each ordinary Local Government election held in October every second year.

Shire President
Cr. Pippa de Lacy

Deputy Shire President
Cr. Gary Coumbe

The *Local Government Act 1995*, states the roles of the President is to:

- Preside at meetings in accordance with the Act.
- Provide leadership and guidance to the community in the district.
- Speak on behalf of the local government.
- Perform such other functions as are given to the President by the Act or any other written law; and
- Liaise with the CEO on the local government's affairs and the performance of its functions.

In addition to attending monthly Ordinary Council Meetings, Councillors represent the Town and its community on a number of committees and groups.

Local Attractions

Nungarin Heritage Machinery and Army Museum served from 1944 to 1960, as a depot for Australian Army personnel. Today, it invites you to discover the region's military history by stepping inside the State's only remaining World War Two Five Base Ordnance Depot.

Mangowine Homestead is located on 10 hectares of natural bushland and was the first stone and mud brick homestead in the area when it served as an inn for travellers heading to the Goldfields.

Eaglestone Rock is a spectacular natural granite rock and cave formation situated 20km north east of Nungarin the rock abuts Lake Brown. Enjoy great views over the salt lake to the south. Wedgetail Eagles are often seen perched on the Rock.

Talgomine Reserve, just east of Nungarin, has colourful displays of everlastings and is a spectacular sight. Enjoy a stroll through the endless fields of pink and yellow everlastings which bloom in abundance during spring. Nature lovers will appreciate the York Gum and Jam Tree woodlands within the reserve, home to a variety of orchids and other wildflower species that thrive in the area. Relax in this tranquil setting to enjoy a picnic and soak up the rural ambiance.

Shire Facilities

Library Services

The library facilities is located in Shire Administration building. Staff were successful in obtaining a State Library WA Technology & Digital Inclusion Grant to purchase two iPad's, computer and printer for the community to use. The Shire's library is an integral part of the local community, offering not only book loaning facilities, but a place for people to connect, learn and play.

Nungarin Swimming Pool

The Nungarin Swimming Pool is located in the Nungarin Townsite and plays an important role in keeping the local community healthy and connected during the summer months. There is an outdoor swimming pool, a toddler pool, plenty of grassed area with shade provided by trees and erected shelters, BBQ facilities, change rooms and toilets, a first aid room and a kiosk.

Infrastructure Services

The Shire Depot crew ensures town roads as well as rural roads are maintained to a safe standard often required to re-sheet rural roads and install drainage culverts. In town the crew ensures the sporting venues and gardens are maintained.

Planning for the Future

The Shire of Nungarin's Plan for the future is comprised primarily of two documents – a Strategic Community Plan and the Corporate Business Plan. The Strategic Community Plan 2013-2023 expresses the community's vision, aspirations and goals for a 10-year period, with four main themes Social, Economic, Environment and Civic Leadership. Under each theme is a clear objective with desired outcomes. The Corporate Business Plan details the projects, actions, targets and responsibilities under each objective.

The Annual Report describes the Shire's performance against its Strategic Community Plan. It's an essential tool to inform the community and key stakeholders about the Shire's achievements and future plans. In the following pages, major highlights and key achievements under each of the four objectives will be showcased to demonstrate the Shire's progress towards meeting the vision and aspirations set for us by the community.

Integrated Planning & Reporting Framework

The framework, introduced by the State Government in 2012, requires each local government to have a Strategic Community Plan, a Corporate Business Plan and other informing strategies in place to ensure the future provision of services is sustainable.

The Strategic Community Plan expresses the long-term community aspirations that have been developed with extensive consultation. It is an overarching document that covers a period of 10 years. Informing strategies are used to ensure adequate resourcing of the plans and include the Long-Term Financial Plan, Workforce Plan, Asset Management Plans and other informing strategies.

The Corporate Business Plan is an integral part of this framework, activating the objectives of the Strategic Community Plan and informing the annual budget process to ensure the priorities of the community are achievable.

Strategic Community Plan

Objective 1 - Social

Aspiration

Our Shire is healthy and happy, contributing to our progress, with accessible places and spaces and our transport is well connected and safe.

Highlight: Town Oval

Through a grant the Shire undertook major upgrades of the reticulation system at the town oval. The new improved system will ensure the turf is maintained in the best possible condition and at the same time reduce the amount of water usage.

Highlight: Australia Day

With a successful grant received through Auspire Shire staff were able to purchase, tables, chairs, gazebos, BBQ's to host a community BBQ on Australia Day. The Australia Day 2021 was a huge success with Nungarin residents enjoying a fun filled day at the Nungarin pool with a BBQ dinner served by Shire staff.

Highlight: Grangarin Effluent

The ongoing issues with the Grangarin Seniors Housing was resolved with an estimated saving to the Shire of \$85,000

Objective 2 - Economic

Aspiration

A diverse business environment with equitable telecommunications and infrastructure. We are uniquely Nungarin in providing a memorable visitor experience.

Highlight: Mangowine Concert

Despite the COVID – 19 challenges in hosting events, the annual Mangowine Concert was a huge success with the highest attendance of patrons the concert has seen.

Highlight: Nungarin Vintage Rally & Searchlight Party

The successful rally and searchlight party now in its second year is a credit to the organisers and volunteers. The day is an exciting outing for any vintage vehicle enthusiast and will continue to grow in years to come.

Highlight: Nungarin Wheatbelt Markets

The Shire continues to be a proud sponsor of the Nungarin Wheatbelt Markets which are held along the main street of the on the first Sunday of the month.

Objective 3 - Environment

Aspiration

Our environment is understood, maintained and protected.

Highlight: Natural Resource Management

Last year, the Shire supported by funding from the Western Australian Government's State NRM Program, provided three landholders with 12,328 biodiverse seedlings to revegetate 11.6 hectares. Landholders were also supported to construct 6.9 kilometres of fencing to protect the revegetation.

Highlight: Skeleton Weed Local Action Group

The LAG continued to assist farmers with skeleton weed on their farms to search and eradicate the weed, which can be responsible for reduced crop yields.

Highlight: Refuse Site Upgrade

The entrance to the Shire tip was redesigned to improve accessibility and safety, with further upgrades to fencing, tip faces and refuse placement to reduce the amount of refuse blown off-site.

Dumping areas have also been separated to make future recycling of material easier.

Objective 4 - Civic Leadership

Aspiration

A strong local democracy with an actively engaged community and effective partnerships.

Highlight: Strategic Community Plan

Commenced the preparation of the Community Strategic Plan which is estimated to be completed in early 2022.

Highlight: Corporate Business Plan

The Corporate Business Plan although separate does form an integral part of the Community Strategic Plan and is estimated to be completed in early 2022.

Highlight: Media

Re-implemented a monthly newsletter through the local NewsLink.

Implemented a Shire of Nungarin Facebook Page.

Highlight: Grants

Success with grant application for Australia Day 2020 - \$15,000.

Success with maintenance grant to refurbish a bathroom in one of the Grangarin Seniors Units

Highlight: Nungarin Volunteer Bushfire Brigade Facility

After receiving a grant, the Shire began the planning phase of the new facility which is to be completed during the first half of 2022

Highlight: Asset Management Plan

The preparation of an asset management plan was commenced with the development of a plant replacement program which is required to feed into the AMP.

Statutory Reporting

Freedom of Information Statement

In accordance with Section 96 and 97 of the *Freedom of Information Act 1992*, the Shire is required to publish an Information Statement which details the process of applying for information under the Act as well as information that the Shire provides outside the Act. No requests for information under the act have been received this year. The *Freedom of Information Act 1992* and associated regulations can be found on the State Law Publisher website at www.slp.wa.gov.au

Complaints Register

The Shire maintains a register of complaints which records all complaints that result in an action under the *Local Government Act 1995* s5.121 (6)(b) or (c). The register of complaints is to include for each recorded complaint:

- Name of Council Member about whom the complaint is made;
- Name of the person who makes the complaint;
- A description of the minor breach that the Standards Panel finds has occurred; and
- Details of the action taken.

In the financial year ending 30 June 2020 no complaints were entered into the Register of Complaints under Section 5.121 of the *Local Government Act 1995*.

Record Keeping Statement

Under the *State Records Act 2000*, the Shire of Nungarin is required to have a Recordkeeping Plan (RKP) that is approved by the State Records Commission. The Shire commenced with preparation towards an RKP with the installation of a records management system as phase 1. Phase 2 the RKP will be undertaken in the coming year which will be submitted to the State Records Commission for review.

Delegations Review

In accordance with Section 5.46 of the *Local Government Act 1995* a review was undertaken of the Shire's Delegations Register during this period.

Compliance

Compliance Audit Return

The Department of Local Government, Sport and Cultural Industries requires the Shire to complete a Compliance Audit Return annually. For the period 1 January 2020 to 31 December 2020.

There were no significant exceptions noted

National Competition Policy

The Federal and State governments have a Competition Principles Agreement in place, which is binding on local government. The Agreement requires the Shire to carry out a number of procedures and include a report on the matter in each year's Annual Report. The three areas that affect local government are:

1. Competitive neutrality - to remove benefits (and costs) which accrue to government business as a result of their public ownership.
2. Structural reform - local government is required to reform the structure of publicly owned monopoly businesses where it is proposed to introduce competition.
3. Legislation review - to review legislation that restricts competition.

The full requirements of the package are contained in a statement issued by the Department of Local Government, Sport and Cultural Industries.

Competitive Neutrality

Local Governments are required to apply the principle of competitive neutrality to all business activities generating user-pays income. The principle of competitive neutrality is that Government businesses should not enjoy a competitive advantage, or disadvantage, simply as a result of their public sector ownership. Annual Reports must show that a public benefit test has been conducted for all significant business activities (over \$200,000) to determine if competitive neutrality is in the public interest. Within these criteria the Shire had no disclosures for the reporting period with respect to competitive neutrality:

- The Shire does not operate a business enterprise that has been classified by the Australian Bureau of Statistics as either a Public Trading Enterprise or Public Financial Enterprise;
- During the reporting period the Shire did not receive any complaints or did not become aware of any allegations of non-compliance with the competitive neutrality principles made by a private entity against the Shire; and
- The Shire continues to monitor Council policies and local laws for anti-competitive practices.

Primary and Annual Returns

In accordance with Section 5.75 and 5.76 of the Local Government Act 1995 all relevant persons lodged an Annual Return by the due date of 31 August 2020 and a primary return within 3 months of their start date. In 2020-2021, there was 100% compliance in this area

Disability Access and Inclusion Plan

The Disability Services Act 1993 was amended in December 2004, creating a requirement for local governments to:

1. Maintain a Disability Access and Inclusion Plan (DAIP).
2. Address seven specific outcome areas within the plan.
3. Report annually on progress against actions within the plan.

Disability Access and Inclusion Plan.

The Shire's Disability Access and Inclusion Plan is a key strategic document, outlining the Shire's approach to working towards a more accessible and inclusive community.

Procurement of Services

Procurement is conducted in compliance with the requirements of the Local Government Act 1995, the Local Government (Functions and General) Regulations 1996 and in accordance with the Shire's Code of Conduct and Purchasing Policy.

Annual Salaries

The *Local Government Act 1995* requires the Shire to provide the number of employees who are entitled to an annual salary of \$100,000 or more and to break those employees into salary bands of \$10,000. For the period under review, the Shire had 1 employee whose salary exceeded \$100,000.

Note 30	Activities/Programs	53
Note 31	Financial Ratios	54

SHIRE OF NUNGARIN
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2021

1. BASIS OF PREPARATION

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government Act 1995* and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 28 to these financial statements.

INITIAL APPLICATION OF ACCOUNTING STANDARDS

During the current year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

These were:

- AASB 1059 *Service Concession Arrangements: Grantors*
- AASB 2018-7 *Amendments to Australian Accounting Standards - Definition of Materiality*

The impact of adoption of these standards is described at Note 27.

NEW ACCOUNTING STANDARDS FOR APPLICATION IN FUTURE YEARS

The following new accounting standards will have application to local government in future years:

- AASB 2020-1 *Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current*
- AASB 2020-3 *Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments*
- AASB 2021-2 *Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates*

It is not expected these standards will have an impact on the financial report.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- Employee Expenses
- Property, Plant and Equipment
- Infrastructure
- Employee Related Provisions

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
 FOR THE YEAR ENDED 30 JUNE 2021

2. REVENUE AND EXPENSES

(a) Grant revenue

Grants, subsidies and contributions are included as both operating and non-operating revenues in the Statement of Comprehensive Income:

	2021 Actual \$	2021 Budget \$	2020 Actual \$
Operating grants, subsidies and contributions			
Governance	14,873	0	182
General purpose funding	987,830	482,322	970,312
Law, order, public safety	2,862	6,000	4,262
Education and welfare	4,285	0	1,140
Community amenities	6,709	19,994	4,630

	1,457,278	788,312	1,460,590
Non-operating grants, subsidies and contributions			
Law, order, public safety	7,682	323,700	0
Housing	19,800	0	0
Community amenities	99,794	0	0
Recreation and culture	187,377	230,826	0
Transport	403,395	378,243	404,225
Economic services	30,492	0	0
	748,540	932,769	404,225
Total grants, subsidies and contributions	2,205,818	1,721,081	1,864,815
Fees and charges			
Governance	6,447	6,490	6,976
General purpose funding	1,100	650	595
Law, order, public safety	1,617	600	1,440
Health	364	160	160
Housing	43,610	46,604	48,008
Community amenities	12,969	12,930	16,141
Recreation and culture	29,048	23,260	25,173
Economic services	9,745	20,700	7,827
Other property and services	6,892	4,975	8,932
	111,792	116,369	115,252

There were no changes to the amounts of fees or charges detailed in the original budget.

SIGNIFICANT ACCOUNTING POLICIES

Grants, subsidies and contributions

Operating grants, subsidies and contributions are grants, subsidies or contributions that are not non-operating in nature.

Non-operating grants, subsidies and contributions are amounts received for the acquisition or construction of recognisable non-financial assets to be controlled by the local government.

Fees and Charges

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees.

SHIRE OF NUNGARIN
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2021

2. REVENUE AND EXPENSES (Continued)

(a) Revenue (Continued)	2021 Actual	2021 Budget	2020 Actual
	\$	\$	\$
Contracts with customers and transfers for recognisable non-financial assets			
Revenue from contracts with customers and transfers to enable the acquisition or construction of recognisable non-financial assets to be controlled by the Shire was recognised during the year for the following nature or types of goods or services:			
Operating grants, subsidies and contributions	135,991	163,487	62,653
Fees and charges	109,306	114,409	111,907
Other revenue	28,874	21,110	22,927
Non-operating grants, subsidies and contributions	748,540	932,769	404,225
	<u>1,022,711</u>	<u>1,231,775</u>	<u>601,712</u>
Revenue from contracts with customers and transfers to enable the acquisition or construction of recognisable non-financial assets to be controlled by the Shire is comprised of:			
Revenue from contracts with customers included as a contract liability at the start of the period	62,005	62,005	52,798
Revenue from contracts with customers recognised during the year	212,166	237,001	144,689
Revenue from transfers intended for acquiring or constructing recognisable non financial assets during the year	748,540	932,769	404,225
	<u>1,022,711</u>	<u>1,231,775</u>	<u>601,712</u>
Information about receivables, contract assets and contract liabilities from contracts with customers along with financial assets and associated liabilities arising from transfers to enable the acquisition or construction of recognisable non financial assets is:			
Trade and other receivables from contracts with customers	107,820		41,975
Contract liabilities from contracts with customers	(48,905)		(62,005)
Financial assets held from transfers for recognisable financial assets	198,760		0
Grant liabilities from transfers for recognisable non financial assets	(198,760)		0

Impairment of assets associated with contracts with customers are detailed at note 2 (b) under 'Other expenditure'. Contract liabilities for contracts with customers primarily relate to grants with performance obligations received in advance, for which revenue is recognised over time as the performance obligations are met. Information is not provided about remaining performance obligations for contracts with customers that had an original expected duration of one year or less. Consideration from contracts with customers is included in the transaction price. Performance obligations in relation to contract liabilities from transfers for recognisable non financial assets are satisfied as project milestones are met or completion of construction or acquisition of the asset. All associated performance obligations are expected to be met over the next 12 months.

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
 FOR THE YEAR ENDED 30 JUNE 2021

2. REVENUE AND EXPENSES (Continued)

(a) Revenue (Continued)

Revenue from statutory requirements
 Revenue from statutory requirements was recognised during
 the year for the following nature or types of goods or services:

	2021 Actual \$	2021 Budget \$	2020 Actual \$
General rates	577,199	576,698	573,881
Statutory permits and licences	1,853	1,760	2,615
Fines	633	200	730
	579,685	578,658	577,226
Other revenue			
Reimbursements and recoveries	80,937	74,395	119,463
Other	28,874	21,110	22,927
	109,811	95,505	142,390
Interest earnings			
Financial assets at amortised cost - self supporting loans	265	454	481
Interest on reserve funds	0	0	1,489
Rates instalment and penalty interest (refer Note 23(b))	8,798	10,200	14,283
Other interest earnings	5	0	3,263
	9,068	10,654	19,516

SIGNIFICANT ACCOUNTING POLICIES

Interest earnings

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

Interest earnings (continued)

Interest income is presented as finance income where it is earned from financial assets that are held for cash management purposes.

 FOR THE YEAR ENDED 30 JUNE 2021

2. REVENUE AND EXPENSES

REVENUE RECOGNITION POLICY

Recognition of revenue is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

Revenue Category	Nature of goods and services	When obligations typically satisfied	Payment terms	Returns/Refunds/Warranties	Determination of transaction price	Allocating transaction price	Measuring obligations for returns	Timing of revenue recognition
Rates	General Rates	Over time	Payment dates adopted by Council during the year	None	Adopted by council annually	When taxable event occurs	Not applicable	When rates notice is issued
Specified area rates	Rates charge for specific defined purpose	Over time	Payment dates adopted by Council during the year	Refund in event monies are unspent	Adopted by council annually	When taxable event occurs	Not applicable	When rates notice is issued
Service charges	Charge for specific service	Over time	Payment dates adopted by Council during the year	Refund in event monies are unspent	Adopted by council annually	When taxable event occurs	Not applicable	When rates notice is issued
Grant contracts with customers	Community events, minor facilities, research, design, planning evaluation and services	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Set by mutual agreement with the customer	Based on the progress of works to match performance obligations	Returns limited to repayment of transaction price of terms breached	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Grants, subsidies or contributions for the construction of non-financial assets	Construction or acquisition of recognisable non-financial assets to be controlled by the local government	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Set by mutual agreement with the customer	Based on the progress of works to match performance obligations	Returns limited to repayment of transaction price of terms breached	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Grants with no contract commitments	General appropriations and contributions with no reciprocal commitment	No obligations	Not applicable	Not applicable	Cash received	On receipt of funds	Not applicable	When assets are controlled
Fees and charges	Building, cemetery services, library fees, property hire, private works, planning, development, animal management, having the same nature as a licence regardless of naming.	Single point in time	Full payment prior to issue	None	Adopted by Council annually or Set by State legislation or limited by legislation to the cost of provision	Applied fully based on timing of provision/entry, or based on timing of issue of the associated rights	Not applicable	Output method based on provision of service or completion of works, or on payment and issue of the licence, registration or approval
Commissions	Commissions on licencing and ticket sales	Over time	Payment in full on sale	None	Set by mutual agreement with the customer	On receipt of funds	Not applicable	When assets are controlled
Reimbursements	Insurance claims and reimbursable expenses	Single point in time	Payment in arrears for claimable event	None	Set by mutual agreement with the customer	When claim is agreed or expense is incurred	Not applicable	When claim is agreed or when expense is incurred

SHIRE OF NUNGARIN

 FOR THE YEAR ENDED 30 JUNE 2021

3. CASH AND CASH EQUIVALENTS

NOTE	2021	2020
	\$	\$
Cash at bank and on hand	2,015,174	1,712,205
Total cash and cash equivalents	2,015,174	1,712,205

Restrictions

The following classes of assets have restrictions imposed by regulations or other externally imposed requirements which limit or direct the purpose for which the resources may be used:

- Cash and cash equivalents	905,481	700,550
	905,481	700,550

The restricted assets are a result of the following specific purposes to which the assets may be used:

Reserves - cash backed	4	646,952	627,579
Contract liabilities from contracts with customers	14	48,905	62,005
Grants for transfers for recognisable non financial assets	14	198,760	0
Bonds and deposits	13	10,864	10,966
Total restricted assets		905,481	700,550

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

Restricted assets

Restricted asset balances are not available for general use by the local government due to externally imposed restrictions. Externally imposed restrictions are specified in an agreement, contract or legislation. This applies to reserves, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement.

Financial assets at fair value through profit and loss		
Units in Local Government House Trust	36,904	35,610
	<u>36,904</u>	<u>35,610</u>

Loans receivable from clubs/institutions have the same terms and conditions as the related borrowing disclosed in Note 15(b) as self supporting loans.

SIGNIFICANT ACCOUNTING POLICIES

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at fair value through profit and loss

The Shire classifies the following financial assets at fair value through profit and loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the Shire has not elected to recognise fair value gains and losses through other comprehensive income.

Impairment and risk

Information regarding impairment and exposure to risk can be found at Note 25.

SHIRE OF NUNGARIN

	184,076	105,679
	3,512	3,512
	3,512	3,512

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectible amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Impairment and risk exposure

Information about the impairment of trade receivables and their exposure to credit risk and interest rate risk can be found in Note 25.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Classification and subsequent measurement

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

 Land held for resale - cost
 Cost of acquisition

2021	2020
\$	\$
740	1,733
3,847	3,956
0	27,295
4,587	32,984

The following movements in inventories occurred during the year:

Balance at beginning of year
 Inventories expensed during the year
 Write down of inventories to net realisable value
 Additions to inventory
 Balance at end of year

32,984	37,323
(66,392)	(4,230)
(109)	(109)
38,104	0
4,587	32,984

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Land held for resale (Continued)

Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

SHIRE OF NUNGARIN
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2021

9. PROPERTY, PLANT AND EQUIPMENT (Continued)

(b) Carrying Value Measurements

(i) Fair Value	Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of Last Valuation	Inputs Used
Land and buildings						
	Land freehold	2	Market approach using recent observable market data for similar properties	Independent registered valuers	June 2017	Price per hectare
	Buildings - non-specialised	2	Market approach using recent observable market data for similar properties	Independent registered valuers	June 2017	Price per square metre
	Buildings - specialised	3	Cost approach using depreciated replacement cost	Independent registered valuers	June 2017	Construction costs (Level 2), current condition, residual values and remaining useful life assessments (Level 3) inputs
(ii) Cost						
	Furniture and equipment	3	Cost approach using depreciated replacement cost	Independent registered valuers	June 2016	Purchase costs (Level 2), current condition, residual values and remaining useful life assessments (Level 3) inputs
Plant and equipment						
	- Independent valuation 2016	2	Market approach using recent observable market data for similar items	Independent registered valuers	June 2016	Market price per item
	- Independent valuation 2016	3	Cost approach using depreciated replacement cost	Independent registered valuers	June 2016	Purchase costs (Level 2), current condition, residual values and remaining useful life assessments (Level 3) inputs

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

Following a change to Local Government (Financial Management) Regulation 17A, plant and equipment type assets (being plant and equipment and furniture and equipment) are to be measured under the cost model, rather than at fair value. This change was effective from 1 July 2019 and represented a change in accounting policy. Revaluations carried out previously were not reversed as it was deemed fair value approximated cost at the date of change.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used to determine the fair value of infrastructure using level 3 inputs.

SHIRE OF NUNGARIN
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2021

11. FIXED ASSETS

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial recognition and measurement between mandatory revaluation dates

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework.

Revaluation

The fair value of land, buildings, and infrastructure is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the Shire.

At the end of each period the valuation is reviewed and, where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with *Local Government (Financial Management) Regulation 17A (2)* which requires land, buildings, infrastructure, investment properties and vested improvements to be shown at fair value.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

AUSTRALIAN ACCOUNTING STANDARDS - INCONSISTENCY

Land under roads from 1 July 2019

As a result of amendments to the *Local Government (Financial Management) Regulations 1996*, effective from 1 July 2019, vested land, including land under roads, is treated as right-of-use assets measured at zero cost. Therefore, the previous inconsistency with AASB 1051 in respect of non-recognition of land under roads acquired on or after 1 July 2008 has been removed, even though measurement at zero cost means that land under roads is still not included in the statement of financial position.

Vested improvements from 1 July 2019

The measurement of vested improvements at fair value in accordance with *Local Government (Financial Management) Regulation 17A(2)(iv)* is a departure from AASB 16 which would have required the Shire to measure the vested improvements as part of the related right-of-use assets at zero cost.

	1,073,477	1,018,532	1,020,909

SIGNIFICANT ACCOUNTING POLICIES

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land and vested land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

Depreciation rates

Typical estimated useful lives for the different asset classes for the current and prior years are included in the table below:

Asset Class	Useful life
Buildings non-specialised	30 to 50 years
Buildings specialised	30 to 50 years
Furniture and equipment	4 to 10 years
Plant and equipment	5 to 15 years
Infrastructure - roads	35 to 85 years
Infrastructure - footpaths	20 to 75 years
Infrastructure - drainage	5 to 75 years
Infrastructure - parks & ovals	5 to 75 years
Infrastructure - dams	5 to 75 years
Infrastructure - refuse	5 to 75 years
Infrastructure - other	5 to 75 years

Depreciation on revaluation

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated as follows:

- (a) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses.

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

4,696	5,161
37,093	36,863
(1,005)	(1,648)
121,177	113,691

SIGNIFICANT ACCOUNTING POLICIES

Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

Prepaid rates

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

14. CONTRACT LIABILITIES

Performance obligations for each type of liability are expected to be recognised as revenue in accordance with the following time bands:

Less than 1 year

Contract liabilities	Liabilities under transfers to acquire or construct non-financial assets to be controlled by the entity
\$	\$
48,905	198,760

SIGNIFICANT ACCOUNTING POLICIES

Contract liabilities

Contract liabilities represent the Shire's obligation to transfer goods or services to a customer for which the Shire has received consideration from the customer.

Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

Liabilities under transfers to acquire or construct non-financial assets to be controlled by the entity
 Grant liabilities represent the the Shire's performance obligations to construct recognisable non-financial assets to identified specifications which are yet to be satisfied.

Grant liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

Unused loan facilities at balance date NIL NIL

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities

Financial liabilities are recognised at fair value when the Shire becomes a party to the contractual provisions to the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Risk

Information regarding exposure to risk can be found at Note 25

16. EMPLOYEE RELATED PROVISIONS

(a) Employee Related Provisions

	Provision for Annual Leave \$	Provision for Long Service Leave \$	Total \$
Opening balance at 1 July 2020			
Current provisions	63,862	10,636	74,498
Non-current provisions	0	13,518	13,518
	63,862	24,154	88,016
Additional provision	38,595	7,806	46,401
Amounts used	(42,856)	0	(42,856)
Balance at 30 June 2021	59,601	31,960	91,561
Comprises			
Current	59,601	12,022	71,623
Non-current	0	19,938	19,938
	59,601	31,960	91,561

Amounts are expected to be settled on the following basis:
 Less than 12 months after the reporting date
 More than 12 months from reporting date

	2021 \$	2020 \$
Less than 12 months after the reporting date	42,011	41,776
More than 12 months from reporting date	49,550	46,240
	91,561	88,016

Timing of the payment of current leave liabilities is difficult to determine as it is dependent on future decisions of employees.

Expected settlement timings are based on information obtained from employees and historical leave trends and assumes no events will occur to impact on these historical trends.

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at

Other long-term employee benefits (Continued)
 rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

17. NOTES TO THE STATEMENT OF CASH FLOWS

Reconciliation of Cash

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Cash at the end of the reporting period is reconciled to the related items in the Statement of Financial Position as follows:

	2021 Actual \$	2021 Budget \$	2020 Actual \$
Cash and cash equivalents	2,015,174	654,234	1,712,205

Key Management Personnel (KMP) Compensation Disclosure

	2021 Actual	2020 Actual
The total of remuneration paid to KMP of the Shire during the year are as follows:	\$	\$
Short-term employee benefits	144,197	162,702
Post-employment benefits	17,782	18,955
Other long-term benefits	3,000	3,250
	164,979	184,907

Short-term employee benefits

These amounts include all salary, fringe benefits and cash bonuses awarded to KMP except for details in respect to fees and benefits paid to elected members which may be found above.

Post-employment benefits

These amounts are the current-year's estimated cost of providing for the Shire's superannuation contributions made during the year.

Other long-term benefits

These amounts represent long service benefits accruing during the year.

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
 FOR THE YEAR ENDED 30 JUNE 2021

22. RELATED PARTY TRANSACTIONS (Continued)

Transactions with related parties

Transactions between related parties and the Shire are on normal commercial terms and conditions, no more favourable than those available to other parties, unless otherwise stated.

No outstanding balances or provisions for doubtful debts or guaranties exist in relation to related parties at year end.

The following transactions occurred with related parties:	2021 Actual	2020 Actual
	\$	\$
Sale of goods and services (property rental, private works and plant & equipment hire)	9,692	0
Purchase of goods and services (catering, newspapers and gardening supplies)	7,959	18,728
Amounts payable to related parties:		
Trade and other payables	1,168	0

Related Parties

The Shire's main related parties are as follows:

i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.

ii. Other Related Parties

An associate person of KMP was employed by the Shire under normal employment terms and conditions.

Any entity that is controlled by or over which KMP, or close family members of KMP, have authority and responsibility for planning, directing and controlling the activity of the entity, directly or indirectly, are considered related parties in relation to the Shire.

iii. Entities subject to significant influence by the Shire

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

SIGNIFICANT ACCOUNTING POLICIES	
Rates	Control over assets acquired from rates is obtained at the commencement of the rating period.
Prepaid rates	Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
 FOR THE YEAR ENDED 30 JUNE 2021

25. FINANCIAL RISK MANAGEMENT

This note explains the Shire's exposure to financial risks and how these risks could affect the Shire's future financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk - interest rate	Long term borrowings at variable rates	Sensitivity analysis	Utilise fixed interest rate borrowings
Credit risk	Cash and cash equivalents, trade receivables and financial assets	Aging analysis Credit analysis	Diversification of bank deposits, credit limits. Investment policy
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk

Financial risk management is carried out by the finance area under policies approved by the Council. The finance area identifies, evaluates and manages financial risks in close co-operation with the operating divisions. Council have approved the overall risk management policy and provide policies on specific areas such as investment policy.

(a) Interest rate risk

Cash and cash equivalents

The Shire's main interest rate risk arises from cash and cash equivalents with variable interest rates, which exposes the Shire to cash flow interest rate risk. Short term overdraft facilities also have variable interest rates however these are repaid within 12 months, reducing the risk level to minimal.

Excess cash and cash equivalents are invested in fixed interest rate term deposits which do not expose the Shire to cash flow interest rate risk. Cash and cash equivalents required for working capital are held in variable interest rate accounts and non-interest bearing accounts. Carrying amounts of cash and cash equivalents at the 30 June and the weighted average interest rate across all cash and cash equivalents and term deposits held disclosed as financial assets at amortised cost are reflected in the table below.

	Weighted Average Interest Rate	Carrying Amounts	Fixed Interest Rate	Variable Interest Rate	Non Interest Bearing
	%	\$	\$	\$	\$
2021					
Cash and cash equivalents	0.0002%	2,015,174	0	2,014,774	400
2020					
Cash and cash equivalents	0.2775%	1,712,205	0	1,712,205	0

Sensitivity

Profit or loss is sensitive to higher/lower interest income from cash and cash equivalents as a result of changes in interest rates.

	2021	2020
	\$	\$
Impact of a 1% movement in interest rates on profit and loss and equity*	20,148	17,122

* Holding all other variables constant

Borrowings

Borrowings are subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation. The Shire does not consider there to be any interest rate risk in relation to borrowings. Details of interest rates applicable to each borrowing may be found at Note 15(b)

25. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

Trade and Other Receivables

The Shire's major receivables comprise rates annual charges and user fees and charges. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. Whilst the Shire was historically able to charge interest on overdue rates and annual charges at higher than market rates, which further encourage payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

The expected loss rates are based on the payment profiles of rates and fees and charges over a period of 36 months before 1 July 2020 or 1 July 2021 respectively and the corresponding historical losses experienced within this period. Historical credit loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors such as the ability of ratepayers and residents to settle the receivables. Housing prices and unemployment rates have been identified as the most relevant factor in repayment rates, and accordingly adjustments are made to the expected credit loss rate based on these factors. There are no material receivables that have been subject to a re-negotiation of repayment terms

The loss allowance as at 30 June 2021 and 30 June 2020 for rates receivable was determined as follows:

	Current	More than 1 year past due	More than 2 years past due	More than 3 years past due	Total
30 June 2021					
Rates receivable					
Expected credit loss	0.00%	49.26%	69.52%	88.29%	
Gross carrying amount	33,669	19,927	9,726	62,150	125,472
Loss allowance	9,701	9,817	6,762	54,870	81,150
30 June 2020					
Rates receivable					
Expected credit loss	0.00%	26.49%	55.48%	76.09%	
Gross carrying amount	2,336	29,282	12,997	62,464	107,079
Loss allowance	0	7,757	7,211	47,529	62,497

The loss allowance as at 30 June 2021 and 30 June 2020 was determined as follows for trade receivables

	Current	More than 30 days past due	More than 60 days past due	More than 90 days past due	Total
30 June 2021					
Trade and other receivables					
Expected credit loss	0.00%	0.00%	0.00%	0.00%	
Gross carrying amount	107,051	550	0	219	107,820
Loss allowance	0	0	0	0	0
30 June 2020					
Trade and other receivables					
Expected credit loss	0.00%	0.00%	0.00%	65.29%	
Gross carrying amount	40,961	386	0	628	41,975
Loss allowance	0	0	0	410	410

25. FINANCIAL RISK MANAGEMENT (Continued)

(c) Liquidity risk

Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended.

The contractual undiscounted cash flows of the Shire's payables and borrowings are set out in the liquidity table below. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
	\$	\$	\$	\$	\$
2021					
Payables	121,177	0	0	121,177	121,177
Borrowings	71,753	237,708	264,371	573,832	441,651
Contract liabilities	247,665	0	0	247,665	247,665
	<u>440,595</u>	<u>237,708</u>	<u>264,371</u>	<u>942,674</u>	<u>810,493</u>
2020					
Payables	113,691	0	0	113,691	113,691
Borrowings	73,119	258,233	315,599	646,951	488,175
Contract liabilities	62,005	0	0	62,005	62,005
	<u>248,815</u>	<u>258,233</u>	<u>315,599</u>	<u>822,647</u>	<u>663,871</u>

26. EVENTS OCCURRING AFTER THE END OF THE REPORTING PERIOD

The Shire did not have any events occurring after the reporting date that have a significant effect on the financial statements.

SHIRE OF NUNGARIN
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2021

27. INITIAL APPLICATION OF AUSTRALIAN ACCOUNTING STANDARDS

During the year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

(a) AASB 1059 Service Concession Arrangements: Grantors

The Shire adopted AASB 1059 Service Concession Arrangements: Grantors on 1 July 2020, which resulted in no changes in accounting disclosures.

28. TRUST FUNDS

Funds held at balance date which are required to be held in trust and which are not included in the financial statements are as follows:

	1 July 2020	Amounts Received	Amounts Paid	30 June 2021
	\$	\$	\$	\$
Nomination & Other Deposits	221	0	0	221
	221	0	0	221

SHIRE OF NUNGARIN
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2021

29. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

f) Superannuation

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

i) Impairment of assets

In accordance with Australian Accounting Standards the Shire's cash generating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model, such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regularity to ensure the carrying value does not differ materially from that which would be determined using fair value at the end of the reporting period.

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
 FOR THE YEAR ENDED 30 JUNE 2021

30. ACTIVITIES/PROGRAMS

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

PROGRAM NAME AND OBJECTIVES	ACTIVITIES
GOVERNANCE To provide a decision making process for the efficient allocation of scarce resources.	Administration and operation of facilities and services to members of Council, and other costs that relate to the tasks of assisting elected members and ratepayers on matters which do not concern specific Council services.
GENERAL PURPOSE FUNDING To collect revenue to allow for the provision of services.	Rates, general purpose government grants and interest revenue.
LAW, ORDER, PUBLIC SAFETY To provide services to help ensure a safer and environmentally conscious community.	Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.
HEALTH To provide an operational framework for environmental and community health.	Food quality and pest control, assistance with operation of maternal and infant health clinic.
EDUCATION AND WELFARE To provide services to disadvantaged persons, the elderly, children and youth.	Operation of Home and Community Care program, and financial and family counselling programs.
HOUSING To provide and maintain staff and elderly residents housing.	Control and maintenance of staff and other rental housing, including aged accommodation units.
COMMUNITY AMENITIES To provide services required by the community.	Rubbish collection services, operation of tips, landcare programs, administration of the town planning scheme and other community amenities.
RECREATION AND CULTURE To establish and effectively manage infrastructure and resource which will help the social well being of the community.	Control and maintenance of public halls, swimming pool, recreation facilities and the library, Operation of the television rebroadcasting service.
TRANSPORT To provide safe, effective and efficient transport services to the community.	Construction and maintenance of streets, roads and bridges; cleaning and lighting of streets; depot maintenance.
ECONOMIC SERVICES To help promote the shire and its economic wellbeing.	Tourism and area promotion, and regulation of buildings.
OTHER PROPERTY AND SERVICES To monitor and control council's overheads operating accounts.	Private works operation, plant repair and operation costs and engineering operation costs.

SHIRE OF NUNGARIN
 NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

Debt service cover ratio	15.61	8.08	5.43
Operating surplus ratio	0.01	(0.56)	(0.82)
Own source revenue coverage ratio	0.46	0.30	0.29

* Note: The Asset Renewal Funding Ratio has not been calculated as the Shire's Long Term Financial Plan and Asset Management Plans are outdated.

The above ratios are calculated as follows:

Current ratio	$\frac{\text{current assets minus restricted assets}}{\text{current liabilities minus liabilities associated with restricted assets}}$
Asset consumption ratio	$\frac{\text{depreciated replacement costs of depreciable assets}}{\text{current replacement cost of depreciable assets}}$
Asset renewal funding ratio	$\frac{\text{NPV of planned capital renewal over 10 years}}{\text{NPV of required capital expenditure over 10 years}}$
Asset sustainability ratio	$\frac{\text{capital renewal and replacement expenditure}}{\text{depreciation}}$
Debt service cover ratio	$\frac{\text{annual operating surplus before interest and depreciation}}{\text{principal and interest}}$
Operating surplus ratio	$\frac{\text{operating revenue minus operating expenses}}{\text{own source operating revenue}}$
Own source revenue coverage ratio	$\frac{\text{own source operating revenue}}{\text{operating expense}}$

Auditor General

INDEPENDENT AUDITOR'S REPORT 2021 Shire of Nungarin

To the Councillors of the Shire of Nungarin

Report on the audit of the annual financial report

Opinion

I have audited the financial report of the Shire of Nungarin (Shire) which comprises:

- the Statement of Financial Position at 30 June 2021, the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information
- the Statement by the Chief Executive Officer.

In my opinion the financial report of the Shire of Nungarin:

- is based on proper accounts and records
- fairly represents, in all material respects, the results of the operations of the Shire for the year ended 30 June 2021 and its financial position at the end of that period in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities section below. I am independent of the Shire in accordance with the *Auditor General Act 2006* and the relevant ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial report. I have also fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer (CEO) of the Shire is responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the Act, the Regulations and Australian Accounting Standards. The CEO is also responsible for managing internal control (as required by the CEO) to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

Auditor's responsibility for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

Report on other legal and regulatory requirements

In accordance with the Local Government (Audit) Regulations 1996 I report that:

- (i) The following material matters indicating non-compliance with Part 6 of the Act, the Regulations or applicable financial controls of any other relevant written law were identified during the course of my audit:
 - a) The Shire has not reported the Asset Renewal Funding Ratio for 2021 in the annual financial report as required by section 50(1)(c) of the Local Government (Financial Management) Regulations 1996, as information on planned capital renewals and required capital expenditure was outdated.
 - b) For approximately 11% of transactions sampled, the Shire did not have a sufficient number of supplier quotes as required under the Shire's purchasing policy or there was no documentation to explain why other quotes were not sought.
 - c) All users of the Shire's financial management system (Synergy) have privileged (super user) access levels. This access could be used to undermine the effectiveness of system controls (such as segregation of duties) and diminish accountability.
- (ii) All required information and explanations were obtained by me.
- (iii) All audit procedures were satisfactorily completed.
- (iv) In my opinion, the Asset Consumption Ratio included in the financial report were supported by verifiable information and reasonable assumptions.

Other information

The other information is the information in the entity's annual report for the year ended 30 June 2021, but not the financial report and my auditor's report. The CEO is responsible for the preparation and the Council for overseeing the other information.

My opinion does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the Shire of Nungarin for the year ended 30 June 2021 included on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this financial report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.

Jordan Langford-Smith
Senior Director Financial Audit
Delegate of the Auditor General for Western Australia
Perth, Western Australia
